

## JOB OPPORTUNITY

### **SYSTEMS SOFTWARE SPECIALIST III (Technical)/\$6,111 – \$7,796 Office of the State Chief Information Officer/Enterprise Architecture Group**

The Office of the State Chief Information Officer (OCIO), Enterprise Architecture (EA) Group, has a permanent fulltime opening for a Systems Software Specialist III to act as a Technical Enterprise Architect. This position reports to the OCIO Enterprise Architect within the OCIO. Location of this position is the OCIO office located in downtown Sacramento.

#### ***Essential Functions:***

Under the general direction of the Chief Enterprise Architect, the incumbent is part of the OCIO enterprise architecture team functioning as a Technical Enterprise Architect. This position will provide technical expertise in enterprise architecture, which includes knowledge of the Federal Enterprise Architecture (FEA) framework, the National Association of State Chief Information Officers (NASCIO) methodology, and SharePoint. The incumbent will consult with agency/department enterprise architects on their collection and analysis of core business processes, related technical environments, related service components, and related data components in order to create and maintain their baseline enterprise architecture. Through collaboration the incumbent will participate in the development of new and refinement of existing enterprise architecture policies, standards, guidelines and procedures.

The incumbent will be required to keep abreast of new and emerging enterprise architecture technologies; providing education and guidance regarding the applicability to internal staff, executives, and business areas. The incumbent will be required to have a working knowledge of the FEA framework, familiarization with the NASCIO methodology, and familiarization with SharePoint. This incumbent will support the Cal Business Reference Model (CalBRM), Technical Reference Model (TRM), Service Component Reference Model (SRM), and Data Reference Model (DRM) using the FEA reference models and processes necessary to identify current EA (AS-IS) environments and future EA (TO-BE) environments.

#### ***Work Environment Requirements:***

Some travel and extended hours might be required.

#### ***Desirable Qualifications:***

Applicants must be prepared to demonstrate a sound work ethic, have the ability to work both independently and lead teams, understanding the value of completed staff work. The applicant must coordinate, lead, and complete assigned work efforts.

#### ***Who May Apply:***

Applicants will be accepted only from individuals at the **Systems Software Specialist III (Technical)** level, or applicants who have transfer or list eligibility. Applications will be screened based on desired qualifications and only the most qualified will be scheduled for an interview. All appointments are subject to SROA/Surplus provisions. **Final File Date: Until Filled** Interested applicants must submit a State application to:

**OFFICE OF THE STATE CHIEF INFORMATION OFFICER  
1325 J Street, Suite 1600, Sacramento, CA 95814  
Attn: Lisa Lehman/RPA 08-557  
Phone Number: (916) 324-7817**

---

It is the objective of the State of California to achieve a drug-free state work place, any applicant for state employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the state, the rules governing civil service and the special trust placed in public servants.
